## Summary

As a Supply Chain Operations Manager at IranHotelOnline, I contribute to optimizing processes and delivering seamless supply chain solutions, leveraging my expertise in product management and marketing. My role builds on a strong foundation of cross-functional collaboration, enabling teams to align operational strategies with business goals.

Over one year of experience at IranHotelOnline includes roles as Product Manager and Website Administrator, where I supported product launches and digital platform management. These experiences highlight a commitment to innovation and operational excellence in the travel and tourism industry. My mission is to drive impactful solutions that enhance customer satisfaction and operational performance.
